

What can you do to Help Get New Jersey Open for Business?

First and foremost, let me express my sincere condolences to every person who contracted the coronavirus and especially for those who have died from it. The effect that this devastating disease has had on everybody has been horrendous. **We can and will defeat CORONAVIRUS...We are Jersey Strong... We are America strong!!!**

The physical effects have been felt throughout every corner of the country. People have been in quarantine for almost two months. Now the mental and economic effects are taking a major toll on citizens young, old and in between. Millions of people have lost their jobs. Businesses have closed and may not ever open again. The Stock Market has dropped approximately 25%.

Some businesses have been permitted to remain open during the quarantine such as Acme, Shop Rite, Walmart, Target, Home Depot, Sam's etc. while thousands of businesses including the service industry have been mandated to be closed. Is it fair for a Government to choose which businesses survive and which one die? I say NOT.

The time has come to **OPEN NEW JERSEY for businesses by May 22, 2020** or we will more than likely experience irreparable damage to jobs and businesses especially in the Jersey Shore region. They may never be resurrected. The Governor needs to offer the same level playing field to our entire society that is being permitted to the businesses and others which are mentioned above. The time is **NOW** to plan to roll out for a **May 22, 2020** opening. The Jersey Shore economy and New Jersey businesses in general may very well die if we cannot open.

I am respectively asking businesspeople and citizens alike to reach out to Senators, Assembly people, Freeholders, County Executives, Mayors and any public official to team up **NOW** to establish a plan of action. **ATTACHED IS THE LIST OF THE GOVERNMENT OFFICIALS.** They and we need to contact the Governor by **May 18, 2020** with a well thought out plan to Get New Jersey Open for Business by **May 22, 2020**. If the businesses mentioned above can operate in a safe manner, then the rest of the New Jersey businesses can do it!!!

THE TIME IS NOW TO FOR YOU TO GET INVOLVED AND HELP GET NEW JERSEY OPEN FOR BUSINESS. ARE YOU GOING TO COMPLAIN OR BE A PART OF THE SOLUTION? THE CHOICE IS YOURS. REACH OUT AND CONTACT YOUR REPRESENTATIVES TODAY. EMAIL AND CALL MAKE YOUR VOICE BE HEARD.

Thank you.
