10 What Is “Build Back Better” Globalism?

by Kurt Williamsen — Globalists tell us that we need to “build back better” as we recover from COVID harms, but their initiatives so far tell us that we can expect to be poorer, less free, and less influential.

21 Are Globalist Goals Good?

by Kurt Williamsen — Globalists say that we must give global organizations the power to fix the world’s ills. We examine if either the common man or the environment will see help from them.
