### CULTURE

#### 6 Post-Roe America: What's Next?

by Annalisa Pesek — As pro-life advocates celebrate the recent SCOTUS ruling, they prepare to defend the unborn in states that enshrine abortion as a fundamental right.

## FEATURES

### SUPREME COURT

#### 16 Overturning Roe

by Robert Owens, J.D. — Our legal expert breaks down and explains one of the most significant court decisions in a generation.

### ABORTION

#### 21 The Case Against Abortion

by Selwyn Duke — While an abortion ends a life in the womb, it also claims at least one other victim: the woman who undergoes the horrifying psychological, spiritual, and often physical damage that the procedure inflicts.

### FAITH, FAMILY, FREEDOM

#### 27 Life After Being Aborted

by Rebecca Terrell

### HISTORY — PAST AND PERSPECTIVE

#### 35 Abortionists' Termination of History

by Selwyn Duke — Planned Parenthood claims that abortion is a "right" entrenched in American antiquity and culture, but an honest look at the historical record exposes this as a genocidal lie.
